

Old Ship Wood Deck & Wall Panel

Old-fashioned reclaimed boat planks, rich in history and beauty.

Have you ever wondered what happens when a ship is too old to be repaired?

It is an innovative way to take IPE wood from decommissioned fishing boats and turn them into beautiful eco-friendly IPE wood planks.

The vicissitudes of history, The weathered wood ...

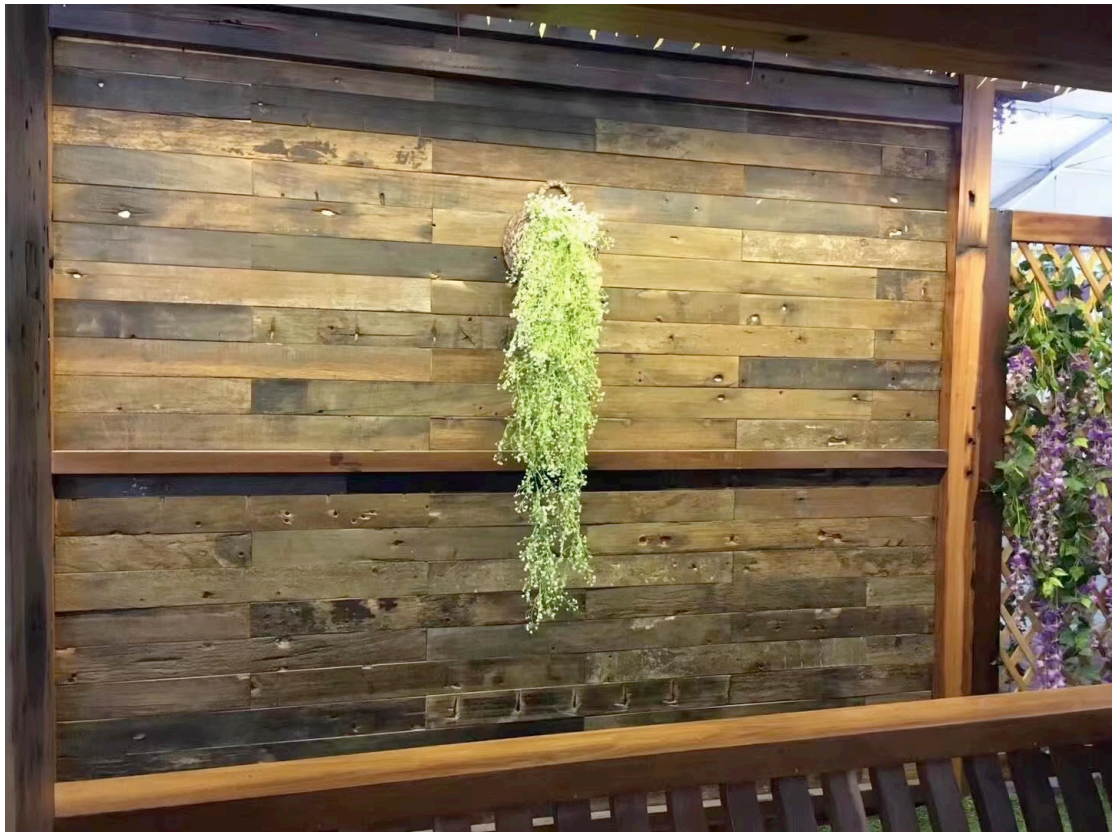

IPE Wooden Deck & Wall Panel

Standard Size: 20X95 or 145 x 1,fit to 9 fit

Material: Old Ship Wood

IPE Wood Panels look great within many applications which include DECK, Wall Accents, Décor Detail Areas within Swimming pools, Balconies, Terraces, Coffee Shops,

Boutiques, Retail, Restaurant's, Back Bars, Hotel, Casinos or any Hospitality or Commercial and Medical / Health, Dental Reception Installations. Also because of the nature of these **Old Ship Panels** exterior design applications for Patios, Entrances and Special Applications are encouraged.

Our reclaimed IPE wood collection's made from authentic boat Ipe wood. All our reclaimed IPE wood Deck, and wall planks are responsibly sourced and created by hand. Reclaimed wood panels are unique and have been naturally weathered over time by the elements.
